CROWDS, CROWDS GALORE!

Thousands Line the Streets to See Worthless Negroes.

Military Escort—A Slight "Demon- stration"—Hard Work to Get a Jury.

Long before the arrival of yesterday's morn-
ing train from Cincinnati, which was to bring
the Negroes Mann, Sanders and Morris from
Covington, the streets were thronged by thou-
sands.

At the Station a great crowd greeted the ar-
rival of the train which bore the prisoners in
charge of Sheriff Roberson, accompanied by a
military guard and a Hotchkiss gun from Lou-
isville.

The culprits were surrounded by soldiers with
fixed bayonets and soon the march started for
the Courthouse, the only "demonstration" be-
ing by a "fellow full of booze" whose imagina-
tion led him to believe he was a whole mob.
He was soon collared and squelched, when every-
thing proceeded with dove-tailed smoothness.

At the Courthouse the guard kept the curious
crowd on the outside, and all who entered were
searched for arms, with the result that "nary a
gun" was found.

The Courtroom was less than half filled, and
when Judge Harbeson rapped for order there
was the most perfect quiet.

The case against accused being called, Com-
monwealth's Attorney Daum asked for Dr. J.
J. Cook.

It was stated that he had been subpoenaed
on Saturday last, and his absence necessitated
an adjournment till 1:30 p. m., the prisoners
being placed in Jail in the meantime.

On reassembling, the Commonwealth an-
nounced its readiness to try Sanders, when the
defense objected, desiring a collective trial.

The Court decided that the Commonwealth
had the right to try separately.

And then began the selection of a Jury,
which consumed the entire afternoon, as about
everybody who had sense enough to eat straw-
berries had read of the case and said something
about it.

At 3 o'clock Judge Harbeson ordered Mann
and Morris returned to Jail, leaving Sanders in Court.

Up to 5 o'clock nine possible Jurors had been
chosen—R. R. Maltby, W. T. Dugan, William
Rosser, G. M. McGraw, W. D. Frazier, Frank
Boyd, W. M. Colvin, C. M. Devore, H. K. Dick-
son.

The Sheriff was ordered to summon twenty-
five additional veniremen, and Court adjourned
till 9 o'clock this morning, when it is thought
the Jury will be completed and the case proceed.

City Attorney Thomas M. Wood and J. M.
Collins are defending the prisoners, with Com-
monwealth's Attorney Daum and County Attor-
ney Frank P. O'Donnell for the prosecution.

It can be stated with exact truth that but for
the presence of the soldiery the civil officers
would have been utterly powerless to protect
these he-devils; but with more than a hundred
men armed with bayoneted Springfields, a Gat-
ling gun with a capacity of 1,200 shots per
minute, and a Hotchkiss gun to throw one
pound shells two-and-a-half miles at the rate
of thirty seconds each, the situation to "come
in and take something" was not very inviting.

His Last Hope Realized.

From The Sentinel, Gibbo, Montana.
In the first opening of Oklahoma to settlers in
1890 the Editor of this paper was among the many
seekers after fortune who made the big race one
fine day in April. During his traveling about and
afterwards his camping upon his claim he en-
countered much bad water, which, together with
the severe heat, gave him a very severe diarrhea,
which it seemed almost impossible to check, and
along in June the case became so bad he expected
to die. One day one of his neighbors brought him
one small bottle of Chamberlain's Colic, Cholera
and Diarrhoea Remedy as a last hope. A big dose
was given him while he was rolling about on the
ground in great agony, and in a few minutes the
disease was repeated. The good effect of the medi-
cine was soon noticed and within an hour the pa-
tient was taking his first sound sleep for a fort-
night. That one little bottle worked a complete
cure and he cannot help but feel grateful. The
season for bowel disorders being at hand suggests
this item. For sale by Jas. J. Wood & Son, Drug-
gists.

WILD WEST SCOUT.

One of the Big Free Attractions at State Fair at Owensboro.

The Directors of the State Fair, which will
be held at Owensboro in September, are not
only working hard to secure a successful distri-
bution of the \$20,000 cash premiums for live
stock, agricultural and domestic exhibits, but
they have a keen eye as well to the amusement
features, and are now engaged in arranging a
highly interesting program which will be an-
nounced from time to time, as it is completed.

The first big attraction settled upon is the
famous "Broncho John's Wild West Show." It
will be free to all who attend the Fair.

As a scout of the plains "Broncho John" has
a place in the history of Indian warfare, and in
a startlingly realistic manner he and his band
of scouts and Indians will hold up stage coaches,
"bust wild bronchos" and give a sham battle be-
tween a lone scout and a band of Redskins, the
scout using his pony as a breastwork.

There will also be automobile races, profes-
sional and athletic games, a race between an
ostrich and a horse, and a score of other things.

Chamberlain's Colic, Cholera and Dia- rrhoea Remedy.

Is everywhere recognized as the one remedy
that can always be depended upon and that is
pleasant to take. It is especially valuable for
summer diarrhoea in children and is undoubtedly
the means of saving the lives of a great many
children each year. For sale by Jas. J. Wood &
Son, Druggists.

MISS MONIE BOWEY, No. 38 Perry Street, DETROIT, MICHIGAN.

A couple of winters ago I slipped on a frozen sidewalk and fell flat on my back. On being examined I found that I had sustained internal injuries which laid me up for more than two months. After that I noticed that I had pains in the back and groin which I never had before. I doctored and doctored for several months but as the pains increased instead of growing better I decided that I was not having the right treatment. Reading in the papers of the wonderful cures performed by Wine of Cardui I wrote to one of the parties and received a very satisfactory reply and I immediately sent for some.

Wine of Cardui makes women more womanly by curing their weakness and making them stronger. Wine of Cardui cured Miss Bowe. As a medicine for all women in every trying period of their lives can you think of a better medicine for yourself, your sister, your daughter or your mother? Can you think of a more acceptable present to give your friend than a bottle of this medicine which will bring her health and happiness? You are suffering? Your duty is to rid yourself of this pain. If your daughter, mother, sister or friend is sick and in need of relief, your duty is equally great to them. Many women, now well, owe their lives to friends who brought them Wine of Cardui.

Wine of Cardui is adapted to women at any age in any walk of life. For the working-woman it gives her strength for her tasks and better treatment than a doctor for very small cost.

Your druggist will sell you a \$1.00 bottle of Wine of Cardui. Secure the medicine today. Take it in the privacy of your home. Relief will come to you as surely as you take it.

MONIE BOWEY.

WINE OF CARDUI is one medicine that should always be kept on hand in every home for immediate use when female weakness first makes its appearance. Miss Bowe's painful and dangerous accident would not have resulted so seriously had she taken Wine of Cardui promptly.

A million suffering women have found relief in Wine of Cardui.

WINE of CARDUI

Charming MINNIE!

Is proving a universal favorite. Minnie! Minnie! The Beautiful Minnie!

HAVE YOU MET HER?

A duty that you owe to yourself as well as your posterity is to become acquainted with Minnie.

Minnie performs WONDERS in the most DIFFICULT crop that Mother Earth produces.

MAYSVILLE, KY., June 16th, 1903.

To Whom it May Concern: This is to certify that we, the undersigned, today witnessed a Minnie Binder running on the farm of H. M. Pyles in orchard grass. Part of this field was very tall and heavy and part exceedingly short and thin, hence offering severe tests. This Minnie Binder cut, elevated and bound said grass to perfection without choking and apparently without any effort to the team. There was no neck weight nor side draft, and the opening swath measured seven (7) feet and eight (8) inches. We can cheerfully recommend the Minnie Binder to all who are interested in harvesting.

Signed by: H. M. PYLES, PATICK MCITIE, BEN HOWARD, JOHN O. PYLES, DICK KING.

Minnie is surely a wonder. The Magical Minnie is Queen of the harvest field. The large Western farmers, who for years back have used only Minnie Binders, certainly did know a good thing. Minnie is the salvation of a Trust-ridden country.

CLOTHING TALK!

There is something about the Hart, Schaffner & Marx Clothing by which you may identify them even more certainly than the label. It goes into them before the label. It is a style, a quality, a tailored-by-hand touch to them, a harmony of fabrics, trimmings, etc., a thoroughbred look about them never found in other clothing. The fact that we can't define it doesn't make it any less real. You can see it without fully realizing what it is. We can't show it or tell you fully about it until you wear the clothes. Then we won't need to. This incomparable line is for men and confined to us.

But we have provided as well for the boys and children. We invite inspection and comparison of both goods and prices.

OUR MERCHANT TAILORING DEPARTMENT, under the supervision of Mr. Charles F. McNamara, is the only one in the city paying Union prices and having all work done at home. Ask to see one of our made-to-measure Suits. You can get them cheaper elsewhere, but not like ours.

Let us show you our new Shirts, new Hats, new Neckwear, etc., etc.

NERVOUS HEADACHE BREEDS INSANITY

Many a person's whole pleasure in life is ruled by the fear of nervous headaches. Any little excitement, no matter what, business or social, brings them on. The feet and hands grow cold, the head is hot, the eyes stiff, the temples throb, and only in the quiet of a darkened room is relief obtained. This condition must be checked or it means complete mental ruin. To those people Dr. A. W. Chase's Nerve Pills come as a blessing. They do not stop, they cure the headaches. They do not blanket, they build up. They put the nervous system in a strong, vigorous, sturdy condition—a condition that gives one resistive power and enables them to again enjoy life's pleasures.

Mrs. Minnie Alkman of No. 218 Lee street, Mayville, Ky., says:

"I have been bothered for a long time with pains in the region of my heart and with racking nervous headaches. I was advised to try Dr. A. W. Chase's Nerve Pills and I got a box at Chenoweth's Drugstore and now I am happy to say that the heart pains and headaches are completely cured. I cannot speak too highly of these pills as they are an excellent medicine in every particular."

The Bonanza will be up tonight for Pomeroy.

The Henry M. Stanley from Pomeroy will pass down tonight.

The Keystone State instead of the Virginia passed up last night for Pittsburgh.

The Pittsburgh rivermen were disappointed Monday in not getting out as much coal as they expected. Only the small boats got away, carrying about 1,000,000 bushels of coal. Owing to the slowness of the rise the rivermen have but little hopes of getting any great quantity of coal out. Reports from most of the up-river points indicate a fall. The fleet of barges was taken to points below Davis Island Dam by the following boats: P. F. Pfeil, 5 barges; G. W. Thomas, 5 boats, 1 flat; Volunteer, Voyager, Little Fred and John Kline, 3 barges each; John Moren, 3 barges, 2 flats; Frank Gilmore, 5 barges, 2 flats; Tido, 3 barges; Albert Taylor, 3 barges; Mariner, 3 barges, 3 flats; Tornado, 3 barges, 3 flats; Enterprise, 3 barges, 1 flat, and Joe Walton, 3 barges, 2 flats. All the coal arrived by boats owned by the Monongahela River Consolidated Coal and Coke Company was transferred to the following boats and taken South: Dave Wood, Fallie, J. C. Kisher, Mariner, Hornet, John Moren and Enterprise. The arrival of the Crescent, owned by the Jutte Coal Company, in the Pittsburgh harbor was the cause of a noisy demonstration. The boat, which had been absent for many months, plying the Ohio and Mississippi rivers, was towed into port by the John Kline and the G. W. Thomas, amid the whistling of nearly every towboat in the harbor.

HANDKERCHIEFS ---

AT ACCOMMODATING PRICES!

Nearly 600 were sold here Saturday and Monday--yesterday's record is not made up as we write. Nothing mysterious about it, we simply sell Handkerchiefs best. Our stock is unapproached for excellence, novelty, variety and true cheapness in Maysville--and for its size, elsewhere. This is a broad statement. It is exact.

FOR CHILDREN.

Colored borders, generous size, a few embroidered, both cotton and pure linen in the lot. Values were 10c to 25c. Now one price, 5c.

FOR MEN.

Japonette, hemstitched, were 12½c, are 7½c.
Fine linen, hemstitched 20c handkerchiefs, sold only in ½ dozen lots for 80c.
Pure linen hemstitched 15c handkerchiefs 10c. This is our well known handkerchief leader--it has many friends.
All 35c and 40c handkerchiefs 25c.

FOR WOMEN.

A few 10c lace trimmed handkerchiefs 5c.
Pure linen, embroidered or lace edge, many styles, regularly 20c each, now 6 for 80c.
Pure linen, quarter inch hemstitched hem, regularly 12½c each, now 6 for 50c.

GLOVES.

At Radical Price Concessions.
Elbow sleeves are bound to come, and early--hot weather will soon hurry the arrival. Don't neglect this chance to buy pure silk, Kayser, double-tipped gloves, solid or lace arm, black or white, for 50c instead of \$1. Hardly seems possible but it is and it's yours to profit. Kid gloves too are marching under the Removal Sale banner. \$1.50 Gloves \$1.
\$1 Gloves 75c.
Colors,--and black today but a few hours may change that statement.

BELTS.

The Charm of Half Price.
Shirtwaists require belts. It's Shirtwaist time, hence it's time for belts, particularly when such pretty ones as these are sold at half-price. This offering of the Removal Sale should command interest.
50c Leather Belts 25c--black, tan, a few gray, buckles of metal or leather.
50c White Satin Belts 25c--several styles.
25c Black Tucked Belts 15c.
50c Black and white Velvet Belts 25c.

JAPANESE PAPER FANS.

At Easy Prices.
Almost with the advent of summer comes this gratifying announcement of dozens of pretty Jap fans at Removal Sale prices.
5c for 10c fans.
10c for 15c fans.
15c for 25c fans.
Daintily decorated with a variety of colored floral designs in the well known Japanese way. The 10c fans have painted or enameled sticks while many of the 25c values have natural bamboo sticks.

MEN'S UNDERWEAR MUCH UNDER-PRICE.

If you gauge the excellence of this Underwear by its price, you'll underestimate it by a full third. For that's the difference between value and price--and it lies in your favor. 40c values for 25c are these Balbriggan shirts and drawers. The former have silk finished necks, the latter comfortable bicycle seats. Fine check nainsook shirts and drawers, all sizes, beautifully finished, very cool, shield front shirts, 39c instead of 50c.

WOOL DRESS GOODS.

Prices Lean Your Way.
Never a word of them until today but these commoners will lift a powerful voice in the Removal Sale, for they'll give you the prettiest wool dresses you've ever had a chance to buy for 19c a yd. None worth less than 25c, a few at 27½c and many at 30c and 35c. All colors and black. Chiefly plain, a few fancies and several weaves.

SHIRT FRONTS.

At Lowest Prices Yet.
Beautiful quality Irish white linen shirt bosoms made with broad box plait, closed. Generous length and width. Have been 50c to 75c, now 10c. Ask to see these linens. The plaits are easily ripped and if you're not a shirt maker a dozen other uses for these small priced linens will suggest themselves.

DANISH CLOTH.

At Fallen Prices.
You'd never take it for cotton goods, looks like a light weight wool of canvas weave. It's part wool, only a little part though, so we put it with the cottons. Just four colors left--pink, blue, tan and one dress pattern in black. Don't be afraid of it because it's only 10c a yd. Always sold for 25c, until we marked it 15c last month. Now the small lot left to close at 10c a yd.

"Doan's Ointment is a wonderful preparation and cures as if by magic. For along time I had an itching of the scalp, which was particularly troublesome just before a rain. Learning that Doan's Ointment was highly recommended for all troubles of this nature I got a box at J. Jas. Wood & Son's Drug-store, corner of West Second and Market streets. Its use soon ended the irritation. Two months have elapsed and I have had no return whatever of the affliction."

For sale by all dealers. Price 50c.
